

# Paul Williams – Latest Releases

## *I'm Going Back There Someday*

*This looks familiar  
Vaguely familiar  
Almost unreal yet  
It's too soon to feel yet  
Close to my soul and yet so  
far away  
I'm going to go back there  
someday.*

*Sunrises, night-falls  
Sometimes the sky calls  
Is that a song there?  
Then do I belong there?  
I've never been there but  
I know the way  
I'm going to go back there  
someday.*
